John – good talking with you earlier today. I’ve figured out that RA’s office does have a system in place for receiving external meeting requests; by cc’ing the R10-ORA mailbox with this message, I’m placing your request for PLP to meet with Chris into the queue. Linda Tyson will follow up with you on the timing and logistics for such a meeting. As you and I discussed, it seems unlikely that we could accommodate such a meeting before January. As we also discussed, we would expect that a few Regional program staff and attorneys would participate in PLP’s meeting with Chris, and we may look for an opportunity to have a technical staff-level meeting before PLP meets with him.

I’ve let Cara know that we talked, and she’s happy to speak with you further about this our any other matter on which you’re currently representing PLP.
